

During

recent weeks a small group of Sutton Coldfield Vesey Rotarians, have been assisting as Pitch Advisors for a national charity called The Challenge. During the summer season the Challenge run a Government programme that helps young teenagers prepare for work life and transition into adulthood. The programme is made up of a series of challenges where participants establish community projects, build and develop trust, responsibility understanding and empathy for themselves, each other and their community. As Pitch Advisors, Rotarians gave advice and expertise to improve these projects making them even more impactful.
